■ At/Above Benchmark

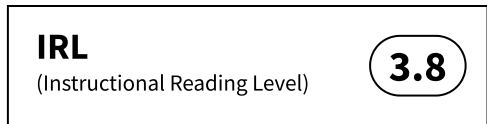

YILIN's Scaled Score is based on the Lexile® scale.

YILIN scored higher than 99% of students nationally in the same grade.

GE shows how YILIN's test performance compares with the average grade 4 student who has completed 30% of the school year in the national norms group. It does not necessarily indicate the ability to read independently at this grade level.

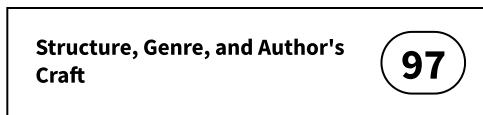

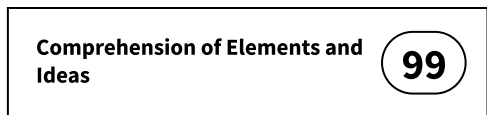

YILIN would be best served by instructional materials prepared at the third grade level.

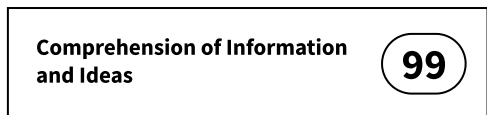

Domain Scores (Core Progress Reading)

Ranging from 0-100, domain scores estimate YILIN's percent mastery of skills in each domain for kindergarten level material.

Reading Recommendation

Lexile® Range

570L - 720L

YILIN’s Lexile Range identifies books at the right level to provide optimal reading challenge without frustration. Enter YILIN’s Lexile Range in <https://www.arbookfinder.com> to find appropriate books.

A Lexile Measure *below* BR400L is reported for progress monitoring purposes only. A score below BR400L should not be used to match readers with text, therefore a Lexile range will not be reported.

Test Duration & Fidelity

Test Duration: 39 mins and 35 secs

Long Test Time: The test was completed in a long period of time.
