■ At/Above Benchmark

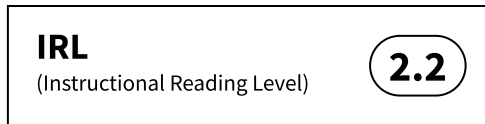

SIYI's Scaled Score is based on the Lexile® scale.

SIYI scored higher than 94% of students nationally in the same grade.

GE shows how SIYI's test performance compares with the average grade 2 student who has completed 70% of the school year in the national norms group. It does not necessarily indicate the ability to read independently at this grade level.

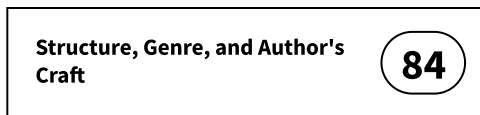

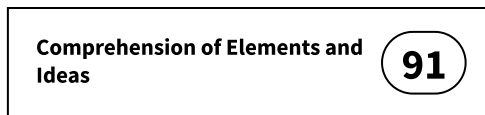

SIYI would be best served by instructional materials prepared at the second grade level.

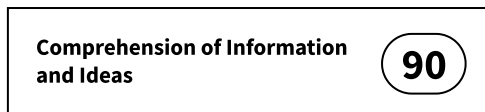

### Domain Scores (Core Progress Reading)

Ranging from 0-100, domain scores estimate SIYI's percent mastery of skills in each domain for kindergarten level material.

Reading Recommendation

Lexile® Range

165L - 315L

SIYI's Lexile Range identifies books at the right level to provide optimal reading challenge without frustration. Enter SIYI's Lexile Range in <https://www.arbookfinder.com> to find appropriate books.

A Lexile Measure *below* BR400L is reported for progress monitoring purposes only. A score below BR400L should not be used to match readers with text, therefore a Lexile range will not be reported.
